

BELLEROSE VILLAGE CENTENNIAL

100th Year Anniversary

Bellerose Village Centennial and That's My Brick!® have joined forces to raise money for our project! As we prepare to break ground and take the final steps to realizing this goal, you can help to make it happen with your donation and we will install your customized personalized brick. A commemorative walkway will be constructed in the park area to recognize the 100th Anniversary of Bellerose Village, This will be one of the many centennial activities being planned for 2024.

More information on back side of this flyer!
