

# MAYOR'S MESSAGE

Dear Bellerose Village Residents:

I am writing to inform you of some recent changes to the Village of Bellerose Board of Trustees. At the Special Meeting on Monday, August 26, 2019, the Board of Trustees announced the resignation of Mayor Henry Schreiber earlier this month. Effective August 26, 2019, I was nominated by my fellow Trustees and gratefully accepted the appointment to Mayor of Bellerose Village to fill the vacancy of the office of Mayor.

I would like to take this opportunity to thank the Honorable Henry "Hank" Schreiber for serving the Village of Bellerose as its Mayor since 2011 with such distinction and dedication. Under his leadership, the Village government has provided critical valued services to the taxpayers with prudent fiscal responsibility and I plan to continue to adopt the same sound fiscal policy. As Mayor, Hank was instrumental in helping the Village to restore the Bellerose Firehouse, regroup after Hurricanes Irene and Sandy, and to initiate the much needed and significant Road Reconstruction Project. Hank also served as the Village Code Officer from 2005 to 2011 enforcing public safety and peacekeeping throughout the Village and in the business district. Please be sure to "Thank Hank" for all that he and his wife Linda have contributed so selflessly to the Village these many years.

Deputy Mayor Joseph Juliano has served this past month leading the Board of Trustees upon Hank's resignation. Joe has agreed to continue to serve as Deputy Mayor going forward. I look forward to collaborating with Joe and thank him for his service. At the September Board of Trustees meeting I plan to appoint Kathleen Woodruff to fill the vacancy in my former Trustee position, which Kathy has graciously accepted. I am also very grateful to my colleagues, Trustees Dan Driscoll and Kate Dorry who continue to serve the residents of Bellerose Village.

I am honored to be appointed to the office of the Mayor. My wife Jean and I and our four children have lived in the Village for over 26 years. We are very committed to the community and love living here. I have actively served in the Bellerose Fire Department for over 15 years as a firefighter and in a variety of board positions. Thanks to all of you, I have been elected Village Trustee five consecutive times since 2010 and have served as both Maintenance Supervisor and Sanitation Commissioner.

Finally, I want to thank all of the officials, staff, organizations, volunteers and residents who work so diligently for our Village. Your contributions of time and talent help make the Village of Bellerose continue to be a wonderful place to live and I look forward to serving as your Mayor. I invite all residents to attend the next Regular Meeting of the Board of Trustees on Monday, September 16, 2019 at 7:30 PM at Village Hall. I hope to see you there.

If needed, I can be reached by calling Village Hall at 516-354-1000 and I will get back to you.

Respectfully,

***Kenneth Moore***
